### **Other Considerations:**

Please note, your application will not be eligible for the Priority Development Assessment Process unless all of the following apply:

#### **Car Parking**

Must meet the standard car parking rate or seek to waive/reduce the parking rate by no more than five car spaces.

#### Referrals

No statutory referrals are required or if a statutory referral is required, a copy of the referral response must be provided at the time of lodgement with the application based on the most recent plans. Any application that requires referring again cannot be considered as part of this process.

#### **Public Notice**

The application must be exempt from public notice.

#### **Cultural Heritage**

The application does not require a Cultural Heritage Management Plan to be prepared (and approved) for the site unless it has already been prepared and approved and does not affect the proposal.

#### Restrictions

There are no covenants or restrictions on title that would prevent Council from issuing a permit.

#### **Information and Delegation**

The application must contain all information required to enable a complete assessment, and the proposal must be a type that can have a decision made under delegation.

Please note that this list is not exhaustive and other projects may be suitable for the Priority Development Assessment Process.
