## Fun With Food

Suitable for families with children aged from  
6 to 12 months

An evidenced-informed model of care to support parents  
and caregivers with feeding their child solid foods.

*The City of Whittlesea recognises the rich Aboriginal heritage of this country  
and acknowledges the Wurundjeri Willum Clan as the Traditional Owners of this place*

## Purpose

Fun With Food supports parents and carers with children aged between **6 to 12 months of age** who have commenced on solid foods.

The program will explore giving solid foods and the importance of healthy early eating habits right from the start.

## Topics include

- Milk or food first? Purees or finger foods?
- The Importance of food, active play and self care.
- The difference between choking and gagging.
- Where to get further support if you need it.

## Who can attend?

- Parents or caregivers of children aged from 6 to 12 months.
- Babies in arms are welcome.
- Due to limited space, please be mindful that prams, toddlers and older children cannot be accommodated.

## Acknowledgements

City of Whittlesea, Maternal and Child Health Team will deliver evidence based research and information related to the INFANT (Infant Feeding, Active play and NuTrition) Program\*. The INFANT Program\* was developed by Deakin University's Centre for Physical Activity and Nutrition Research (C-PAN).

The Team will be delivering a modified program to suit local needs.

## My Baby Now App

The My Baby Now app is full of practical advice, tips and tools to help feed your baby. Scan the QR code for more details and to access the app.

Download the INFANT app My Baby Now for free using
