Breastfeeding Support Service

Drop-In Sessions

If you live in the City of Whittlesea and need support with feeding your baby, come along and receive advice from our Lactation Consultants and Maternal & Child Health nurses.

If possible, arrive when your baby is ready to feed and attend at the beginning of the session.

Clinic by Appointment

If you have attended a breastfeeding drop-in session and need further support, you can make an appointment at our Clinic for a longer consultation with our Lactation Consultants and Maternal and Child Health nurses.

This service is CLOSED on public holidays and on-site interpreters are not available.

For updates on unanticipated service interruptions, scan the QR code or check our website and Facebook.
