1 Opening

1.1 Meeting Opening and Introductions

The Mayor, Cr McLindon opened the meeting at 6pm.

“Good evening everyone, welcome to this Council Meeting of 17 December 2024 which is being held in person in the Council Chamber at Civic Centre, 25 Ferres Boulevard, South Morang and also being live streamed.

I am the newly elected Mayor, Cr McLindon and I would like to introduce our Councillors in attendance tonight. We have Deputy Mayor, Cr Zinni, Cr Kozmevski, Cr Lenberg, Cr Gunn, Cr Colwell, Cr Stow, Cr Brooks (*online*), Cr Cox, Cr Lappin and Cr Taylor.

I would also like to introduce our Chief Executive Officer, Craig Lloyd and ask that he introduce the members of the Executive Leadership Team.”

“Good evening everyone, I would like to introduce our:

Director Planning & Development, Emma Appleton;
Director Community Wellbeing, Agata Chmielewski;
Director Customer & Corporate Services, Sarah Renner;
Director Infrastructure & Environment, Debbie Wood;
Executive Manager Public Affairs, Janine Morgan; and
Executive Manager Office of Council & CEO, Jacinta Stevens.

These members of the Executive Leadership Team will join us during the meeting.”

1.2 Apologies

Nil

1.3 Acknowledgement of Traditional Owners Statement

The Mayor, Cr McLindon read the following statement:

“On behalf of Council, I recognise the rich Aboriginal heritage of this country and acknowledge the Wurundjeri Willum Clan and Taungurung People as the Traditional Custodians of lands within the City of Whittlesea.

I would also like to acknowledge Elders past, present and emerging.”

Cr Colwell raised a point of order acknowledging the reading of Acknowledgment of Traditional Owners Statement wasn't completely correct in accordance with the Governance Rules. It should have been read as the *“Traditional Owners of lands within the City of Whittlesea.”*

1.4 Diversity and Good Governance Statement

The Mayor, Cr McLindon read the following statement:

“At the City of Whittlesea we are proud of our diversity and the many cultures, faiths and beliefs that make up our community. We strive to be an inclusive welcoming City that fosters active participation, wellbeing and connection to each other and this land. We commit as a Council to making informed decisions to benefit the people of the City of Whittlesea now and into the future, to support our community’s vision of A Place For All.”

1.5 Acknowledgements

The following acknowledgements were made:

Redevelopment of Dalton Road, Derby Meadows and Stables Kindergartens

We welcomed the news of a \$13 million contribution from the Victorian Government which will be used, alongside Council funding, for a major redevelopment of Dalton Road Kindergarten in Thomastown, Derby Meadows Preschool in Epping and Stables Kindergarten in Mill Park.

These upgrades will give more children access to high-quality early learning close to home.

Economic Development Award

At the 2024 National Economic Development Awards for Excellence in October, the City of Whittlesea proudly received the Marketing and Promotion Award for its Investment Attraction Marketing and Promotional Campaigns.

Well done to the team for this award. It’s great to see we are supporting local businesses to be successful here in the City of Whittlesea and look forward to producing many opportunities for the businesses yet to come.

Business Awards

Well done to the two City of Whittlesea businesses who collected awards at the Northern Business Achievement Awards recently.

Customer Service of the Year was awarded to Mantra Melbourne Epping and Best Small Business of the year went to Distinctive Features Cosmetic Tattoo and Beauty.

An outstanding achievement for two fantastic local businesses. We wish them well.

International Day of People with Disability

On 3 December Council acknowledged International Day of People with Disability.

We are committed to building an inclusive and cohesive community that supports people of all abilities every day of the year.

Council celebrated International Day of People with Disability with events at Whittlesea Community Activity Centre, Galada Community Centre and supported the 'We are Champions' event at TRAC in Thomastown.

Study Hub

I would like to acknowledge the Federal Government's funding of the new Suburban University Study Hub.

We are pleased that Epping has been selected as a site for this initiative which aims to make tertiary study more accessible for disadvantaged students and provide the community with access to upskills, supporting future job careers and pathways that are critical to our local economy.

Community Awards

A reminder that our Community Awards are now open for nominations.

I would encourage people to think about those in the community who are going well above and beyond the call of duty and to please come forward and nominate them.

Nominations close 5 March so there's still plenty of time.

You can find all the details on Council's website.

Passing of Lindsay Mann

The City of Whittlesea acknowledges the significant contributions of Lindsay Mann, former president of the Whittlesea Historical Society, who passed away on 3 November. Lindsay spent decades preserving and promoting local history.

His leadership, research, and dedication to heritage have greatly enhanced our community. We extend our deepest condolences to his family, friends, and the Whittlesea Historical Society during this time.

The Mayor, extended the acknowledgement stating the following:

"For all of those in the community who felt his contribution, we maintain our thoughts with his family and friends".

2 Declarations of Conflict of Interest

No declarations.

3 Confirmation of Minutes of Previous Meeting/s

COUNCIL RESOLUTION

Moved:	<i>Cr Stow</i>
Seconded:	<i>Cr Kozmevski</i>

THAT the following Minutes of the preceding meeting as circulated, be confirmed:

- **Unscheduled Council meeting held on 17 September 2024; and**
- **Council Meeting held on 19 November 2024.**

CARRIED UNANIMOUSLY

Oath or Affirmation of Office

In accordance with s 30 of the *Local Government Act 2020*, the Oath and Affirmation of Office was undertaken before the Chief Executive Officer on 12 November 2024. This was not undertaken during a Council Meeting.

4 Public Questions, Petitions and Joint Letters

4.1 Public Question Time

Question from Nick Brain of Epping:

Does the role of Councillors under the Local Government Act extend to exercise control over operational matters relating to the delivery of council services?

Response:

Thank you for your question.

Under the *Local Government Act*, the role of Councillors is clearly defined. Councillors do not have responsibility for operational matters. This is the remit of the CEO.

Question from Mike Moore of Epping:

What is the council doing to support and protect the rights of the LGBTQIA2s+ community?

Response:

Thank you for your question.

Our vision in the City of Whittlesea is to create a Place for All and we are committed to delivering a place where all people feel supported, safe and valued.

Not only are human rights protected across Australia through a range of laws, we also have our own policies and strategies in place to ensure we support everyone who lives and works in the City of Whittlesea, including our LGBTQIA+ community.

8.2 Chief Executive Officer Update

Regional sports precinct

Work is progressing well on preparing the site along Plenty Road at Mernda for construction of the regional sports precinct.

The earthworks have been under way for several months and our contractor is busy removing rocks and levelling the ground.

These preliminary works are being completed in advance of Council calling for tenders in 2025 for the facility's construction.

The regional sports precinct, which will initially include an indoor stadium with four multi-purpose sports courts, outdoor netball courts, a car park and shared paths, is Council's single largest investment in social infrastructure and the benefits will be felt across the region for generations to come.

The project is supported by funding from the Victorian Government.

Aboriginal Gathering Place

The Aboriginal Gathering Place, under construction at Quarry Hills Parkland, is really starting to take shape. In recent weeks we've seen work on the slabs for the northern and southern buildings and the steel structures are starting to go up.

Work is also under way on the car park and access road. The facility will feature indoor and outdoor multi-purpose spaces, including a large community events space for up to 100 people, consulting suites and meeting rooms.

When complete, the Aboriginal Gathering Place will be a welcoming, inclusive and culturally safe space where both Aboriginal and non-Aboriginal people can gain knowledge about local Aboriginal history, traditions and values.

Gorge Road shopping precinct streetscape upgrade

Council is upgrading the streetscape and parking surrounding the Gorge Road shopping precinct in South Morang to improve the experience of customers.

The project includes an expanded outdoor dining area with seating and tables, improved street lighting, construction of a raised pedestrian crossing over Reid Street and new trees to provide shade outside the shops.

The parking arrangements outside the shop will also change from angled parking to parallel parking to improve the safety of drivers along that busy stretch of road.

I would like to remind everyone that all the Gorge Road businesses are open and continuing to operate as normal, so please keep supporting them. Parking is available behind the shops, which is accessible via Reid Street.

This project is supported by the Victorian Government through a grant from its Growing Suburbs Fund.

Quarry Hills Connecting Trails

A range of new walking and cycling paths at Quarry Hills Parkland are now open for the public to enjoy.

The new Quarry Hills Connecting Trails provide residents and visitors alike with the opportunity to experience nature and enjoy the parkland's natural beauty.

The new trails range in length from 300 metres to 1.5 kilometres and allow people to experience the parkland's stunning landscape from different perspectives.

The project was supported by the Victorian Government through its Suburban Parks and Growing Suburbs Fund programs.

Murnong Community Centre

Construction of the Murnong Community Centre at 183 Olivine Boulevard, Donnybrook is well underway.

A large amount of rock has been removed from the site to allow for the pouring of the concrete slab and the steel frame to be installed.

The community centre is the first of five planned for Donnybrook and will include a two-room kindergarten, Maternal and Child Health services, mini-branch library, community hall, kitchen and flexible spaces for hire.

The City of Whittlesea has partnered with the Victorian Government to build this facility.
