

NOTES:

1. Signage shall be attached to the tree protection fence at regular intervals no greater than 9.0m apart.
2. Signage shall have a minimum dimension of 300mm X 200mm and be manufactured from 1.6mm thick aluminium sheet.
3. Signage shall be securely fixed to the ringlock wire mesh fence via wire tires at each corner.
4. Signage shall read "TREE PROTECTION ZONE. NO ENTRY EXCEPT TO AUTHORISED PERSONNEL. FINES SHALL BE IMPOSED FOR REMOVAL OF DAMAGE OF FENCING AND/OR TREES".
6. The font type, colour and size shall be selected to ensure the sign is highly visible and can be easily read from a distance.
