FRONT LOAD BIN CONDITIONS CITY OF WHITTLESEA

- Not use a Front Load Bin for longer than necessary
- The holder of this permit continues to hold a current Public Liability Insurance cover to the value of \$20,000,000 at all times
- Placement of Front Load Bin must be no closer than 10m to any intersection
- Bin must have reflective markings minimum size 500mm x 100mm on each side
- Comply with the *Vic Roads Code of Practice for the Placement of Bins on Roadsides* at all times
- Comply with all relevant Codes of Practice and legislation relating to the location where you place the bin,
- Not place it at a location where it negatively impacts road traffic flow, pedestrian safety or Council/utility service
- Ensure the bin is in a safe and reasonable condition to minimize any potential injury or damage
- Ensure the bin's appearance is acceptable to Council Authorised Officers
- Not set-down, pick-up, empty, move or relocate it at any time between:
8pm of one night and 9am the following day on a weekend or public holiday, or
8pm of one night and 7am the following day on a week day
- Not allow the bin's contents to become toxic, offensive or odorous
- Remove all waste within a 5 metre radius of the bin including any dumped waste, or any waste that has spilt or been blown from the bin. The permit is subject to review at any time and if necessary the conditions varied or revoked if genuine complaints are received concerning placement, or circumstances have materially changed since the issue of the permit
- Ensure the bin has only one point of advertising on each side, no larger than half a square meter, and that the advertising contains only the name and telephone number of the supplier.
