Is the proposal associated with a Planning Permit? Yes No

(If you selected Yes: please provide Planning Permit Number))

Please attach stamped Council approved plans with this application – failure to do so will delay application review.

Works in Road Reserve Permit required for:

- Crossover: New location Crossover: Widening Crossover: Infill of existing
 Stormwater/Water tapping Street Scape Works Other

Please tick if there is a nature strip tree within 2.5 metres of new crossover

Please note: if there is a Council tree in close proximity to the proposed crossover location this application will also be referred to the Parks & Open Space department for review.

- Council tree removal is not guaranteed
- It may take up to 14 days to get a response
- If tree removal(s) are approved, additional charges may apply
- After payment is processed, it may take up to 14 days for Council tree(s) to be removed
- Generally, stumps less than 100mm in diameter are left in the ground. For stumps greater than 100mm in diameter, additional charges will apply.

Please check if any service authority assets are within 1m or less of works being conducted. The location of these assets may impact on you receiving approval. City of Whittlesea takes no responsibility of any asset damage.

Description of Proposal – including measurements/specific details
